

**REGISTRATION OF INTEREST
FOR
CYGNIA COVE, WATERFORD**

I/We (full names)
of
.....
wish to formally register my/our interest in Cygnia Cove, Waterford.

I understand that registering my interest is not an offer to purchase and is therefore not legally binding between the Seller and myself. I am fully aware that this registration of interest may be cancelled by the Seller or myself in writing at any time and without notice.

I attach a cheque/cash/EFT transaction receipt in the sum of \$2,500 (registration amount) made payable to "Richard Noble & Company Trust Account". This registration amount is not a deposit towards the purchase of any block within Cygnia Cove, and I further acknowledge that this will be refunded to me in full should the Seller or myself cancel my registration of interest. Should I purchase a block then I acknowledge that the registration amount will be credited towards the deposit for a block.

(Please ensure Richard Noble & Company has at least one number where you can be contacted)
